

Gossey Lane Academy

Year 1 tasks to complete at home – Week 2

We use a number of on line programmes to support the children’s learning. The children have been given a copy of their login details.

Reading - Aim to do one a day

- Reading a variety of books at home. Your child could share a book every day. This can be reading a book aloud every day or sharing a book with an adult.
- Listen to a story read, [Storytime](#).
- Watch [Newsround](#) and find out what is happening in the world. What did you find out? Is there anything you need help understanding?
- Create a bookmark, perhaps you could choose characters from your favourite stories.
- Complete a book review on one of the books you have read - what did you like about it? Would you recommend it to anyone?

Writing - Aim to do one a day

- Family: Look at a family in a traditional story - how are they different to your family? Can you write sentences comparing the two families?
- Take a look at a variety of poems with your child. Ask them to pick their favourite poem and write a poem <https://www.poetry4kids.com/topic/family/>
- Write a letter or postcard - find out about different postcards and why people write them. Can they design the front of the postcard and then plan what to write and who they could write it too.
- Ask your child to create a story about their family. Who will be the main characters ? What will the setting be?

Phonics - Aim to do one a day

- Daily phonics - your child to practice their sounds and blend words. Interactive games found on link below.
- [Phonics play](#)
- [Top Marks](#)
- [Spelling](#)
- Spell the days of the week: Keep a diary of things you do in the week.
- Spell common exception words
- [Spelling City](#)

Gossey Lane Academy

Maths - Aim to do one a day

- Working on [Numbots](#) - your child will have an individual login to access this.
- Play on [Hit the Button](#) - number bonds, halves, doubles and times tables.
- Practise counting in 2s, 5s and 10s.
- Identify 2D and 3D shapes around your house – can you spot circles, squares, rectangles and triangles, cubes, cuboids, spheres and cylinders. Make a list of things you find.
- Practise sharing out objects to find halves and quarters of amounts.

There are other useful Maths websites that you can find activities on that you might like to try.

Science	RE	PHSE
<p>How do plants grow? What are the parts of a plant?</p> <p>Can you draw a plant and label the parts?</p>	<p>Why do we have Easter Eggs at Easter?</p> <p>Discuss why Christians celebrate Easter? Can you tell somebody the Easter story?</p>	<p>Create a poster about how to be a kind friend – focus on RESPECT.</p>

Art

Create a picture of a chosen landscape. You could create a picture of a desert, forest, jungle or Arctic landscape. Create your picture using coloured pencil, felt tip pens, paint or even a collage.
