

Gossey Lane Academy

Year 3 tasks to complete at home – Week 1

We use a number of on line programmes to support the children’s learning. The children have been given a copy of their login details.

Reading - Aim to do one a day

- You could share a story together. This could be a chapter book where you read and discuss a chapter a day.
- Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.
- Watch [Newsround](#) and discuss what is happening in the wider world. What did you find out? Is there anything you need help understanding?
- Get your child to read a book on [Oxford Owl](#), discuss what your child enjoyed about the book.
- Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word?
- With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers.
- Create a bookmark, perhaps you could choose characters from your favourite stories.

Writing - Aim to do one a day

- Write a recount of your day. This could be used in history one day to show what happened during this period.
- Write a character description of a member of their family. What do they look like? How do they behave? etc...
- Write a story involving members of their family. Do they have to defeat a monster? or find something they have lost?
- Write a set of family rules, could they begin with ‘We always.....’ rather than ‘We do not’
- Write a letter/email/ text message to a member of their family that they have not seen this week.
- Take part in a writing [master class](#).

Spelling and Grammar - Aim to do one a day

- Practice your spellings and punctuation. Use the websites
- [Top Marks](#)
- [Spelling](#)
- Spell the days of the week: Keep a diary of things you do in the week.
- Spell common exception words

Maths - Aim to do one a day

- Working on [Numbots](#) - your child will have an individual login to access this.
- Play on [Hit the Button](#) - number bonds, halves, doubles and times tables. Practice multiplication and division of the 3, 4 and 8 tables
- Practise counting in 2s, 5s and 10s from any given number. This [game](#) could support this.
- Work on a shopping list for the weekly shop and get children to add up how many items and add up the cost of some items. This [game](#) could support work on making amounts of money.
- Get a piece of paper and ask your child to show everything they know about **Addition**. This could be pictures, diagrams, explanations, methods etc. They can be as creative as they want to be.
- Practise counting forwards and backwards from any given number in **1s**. Write the numbers 0-20 in words and digits.

There are other useful Maths websites that you can find activities on that you might like to try.
