Washwood Heath
Multi Academy Trust

Gossey Lane Academy Risk Assessment for Covid-19 September 2020

Introduction

The government plan is for the ~~phased return of some children to school from the week commencing 1 June~~ full return of all pupils from September 2020: <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

School employers and leaders are required by law to think about the risks the staff and pupils face and do everything reasonably practicable to minimise them, recognising they cannot completely eliminate the risk of coronavirus (COVID-19). School employers must therefore make sure that a risk assessment has been undertaken to identify the measures needed to reduce the risks from coronavirus (COVID-19) so far as is reasonably practicable and make the school COVID-secure. General information on how to make a workplace COVID-secure, including how to approach a coronavirus (COVID-19) risk assessment, is provided by the [HSE guidance on working safely](#).

This risk assessment checklist/tool is based on Government guidelines on COVID-19 as at 2nd July 2020 and is provided to help schools to prepare and decide arrangements for an increased number of children attending/returning to school. It remains subject to change at a short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). [EYFS guidance](#) should be considered for Nursery Schools and Nursery Classes. Separate guidance is available for Special Schools and is not considered in this tool.

The completion of this tool/checklist should not be undertaken in isolation by one individual and should involve staff who understand the risk assessment process. Once completed, the risk assessment should be shared with the school's workforce. If possible, schools should consider publishing it on their website to provide transparency of approach to parents, carers and pupils (HSE would expect all employers with over 50 staff to do so).

Risk assessment is about identifying sensible measures to control the risks in a workplace or when undertaking an activity. The process evaluates the threats and risks of a specified issue/situation and enables the likelihood that somebody could be harmed, together with an indication of how serious the harm could be, to be considered.

Likelihood - For each issue/situation, determine the likelihood it will occur.

Severity (outcome) - **determine** the potential injury/health.

Likelihood	Severity
4 = Certain = common or frequent occurrence	4 = Major risk - death, loss of limbs, etc

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

RISK Assessment Tool (V1)

07/07/2020

3 = Probable = likely to occur sometime	3 = High risk - broken bones, burns, etc
2 = Possible = may occur sometime	2 = Moderate risk - cuts, bruises, sickness, etc.
1 = Improbable = unlikely to occur	1 = Minimal risk - strain, shaken, no injury, etc

The matrix (below) provides a method to determine the level of risk, with the Likelihood and Severity being independently scored and plotted.

RISK LEVEL MATRIX						
PROBABILITY (LIKELIHOOD)	4	Low	High	Very High	Very High	
	3	Low	Med	High	Very High	
	2	Low	Low	Med	High	
	1	Low	Low	Low	Low	
		1	2	3	4	
		SEVERITY (OUTCOME)				

Once the likelihood and severity of the risk have been assessed they are plotted on the risk profiling grid above and the risk rating defined e.g. If a risk has a likelihood of 3 – Likely and a severity of 1 – Minimal, the risk rating will be $3 \times 1 = 3$. This would mean the risk is low and arrangement would be adequate. Example as follows:

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

Issue/Area to be addressed (Potential Hazard)	Current Control Measures Good Practice Control Measures Adopted	In place (Yes/No)	Further action/ Comments	Final Risk Rating
<p>Example: Slips, trips and falls <i>There are smooth surfaces and tripping hazards around the school site with the potential to cause persons to fall over injuring themselves with multiple injuries.</i></p>	<ul style="list-style-type: none"> • <i>Cleaning regime in place.</i> • <i>Correct safe substance used for surfaces.</i> • <i>Signage available.</i> • <i>Cleaners have received training.</i> • <i>Introduce hazard reporting system and ensure that staff are aware of school H&S Policy.</i> • <i>Undertake specific risk assessment on snow and ice.</i> • <i>Remove all trailing cables in admin office.</i> 	Y	Review arrangements for new staff i.e ensure the H&S policy to shared /communicated	3x1=3 Low

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

---------------------------------	---------------------	--	-----------------------	-----------------------------	-------------------

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

Area of concern to be addressed	Current risk rating	Control measures Good Practice Control Measures Adopted	In place? (Yes/No)	Further action/ Comments	Final risk rating
1. Identify likely numbers of pupils returning and agree required staffing resource and approach and liaise with your LA on your plans					
School capacity	4	<ul style="list-style-type: none"> • Planning for full attendance of all year groups • Phased return arrangements in place for EYFS • Support for pupil/parent anxiety about return to school and vulnerability to COVID-19 • 2 children remain shielded at home • Requests for support for vulnerable families sent through Early Help Hubs • Readiness to implement Test and Trace- following guidance 	Yes	<p>Phased return is communicated with parents. Support for pupils from FSW available 20-24th July and 2,3,4th Sept.</p> <p>Test and trace info out to parents</p>	2
Number of staff available is lower than that required to teach classes in school <i>Staffing capacity</i>	4	<ul style="list-style-type: none"> • The health status and availability of every member of staff is known and is regularly updated. • Full use is made of those staff who are self-isolating or shielding but who are well enough to teach lessons online. • A blended model of home learning and attendance at school is utilised as necessary. • Contingency planning with MAT is in place and additional resource identified • Consideration of available testing for school staff is updated according to latest government advice: https://www.gov.uk/guidance/nhs-test-and-trace-workplace-guidance 	Yes	People matters team WHMAT and HT responsible.	1
Schools lose focus on continuing to apply in-year admissions process including admitting 'new' pupils	1	<ul style="list-style-type: none"> • Review in-year school admissions expectation with key admission staff. • Ensure key school contact and related resources in place. • Ensure timely returns of individual pupil (applications and outcomes through a Pupil Movement Form) and wider cohort data returns. • Ensure speedy admission of children in the relevant year 	Yes	Responsibility- office manager	1

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

Area of concern to be addressed	Current risk rating	Control measures Good Practice Control Measures Adopted	In place? (Yes/No)	Further action/ Comments	Final risk rating
		groups. •			
2. Plan how the whole school will be accommodated and encourage attendance					
Plans are not in place to identify number of classrooms and additional furniture or social distancing measures for each year group	4	<ul style="list-style-type: none"> Review completed of school site and specify entry/exit points and classroom use 30 children and 2 staff that can be accommodated in one class sized bubble classrooms being fully utilised for each year group and reorganised to allow front facing desks Furniture items to be arranged to be front facing Outdoors used for lessons where possible/appropriate. Engagement of appropriate services for families not engaging through FSW Phase leaders meet regularly to review impact of plan 	Yes	Estates Team and HT	1
Classroom and timetable arrangements do not allow for all pupils to attend in line with guidance	4	<ul style="list-style-type: none"> New timetables for each year group allow for reduced interaction between year groups. PPA is covered by Sports Coach, Phonics time, Reading groups carefully managed with additional cleaning regime. Spare furniture removed that will not be used. Clear signage displayed in classrooms promoting social distancing. Hand washing facilities identified for each learning zone Arrangements in place to support pupils when not at school with remote learning at home. In primary schools, classes stay together with their teacher, maximum mixing 60 pupils at break times with one other class only. Consideration of staffing changes to cover absence (TA's). The EYFS environment is re-organised to meet requirements of social distancing where possible. 	Yes	<p>All communicated to parents in July and September via parent pay and website.</p> <p>BSM adjusts hours from 7.30 to 11.30 to allow midday toilet clean and additional touch points to be cleaned</p> <p>After lunch time 2x LTs who are also cleaners to clean toilets between 1.30 to 2.00</p> <p>Playground to be</p>	1

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

Area of concern to be addressed	Current risk rating	Control measures Good Practice Control Measures Adopted	In place? (Yes/No)	Further action/ Comments	Final risk rating
		<ul style="list-style-type: none"> EYFS use of outdoor space, weather dependent lunchtimes –utilise different play spaces. Limit lunch menus to offer a set nutritionally balanced menus Consider lunchtimes in the classroom for younger year groups. Sandwiches provided in class rooms for first two weeks. 		cordoned off two sections for one class on each size to enable bubbles to stay separate	
There is a need for additional space to allow for curriculum to be fully delivered	4	<ul style="list-style-type: none"> Identify available large spaces and appropriate timetabling e.g, dining areas, halls, studios, particularly in outdoor areas. Large gatherings and assemblies prohibited. Design layout and arrangements in place to enable social distancing. The EYFS environment is re-organised to meet requirements of social distancing 	Yes		1
3. Content and timing of communications to parents and pupils including discussing attendance expectations and other specific things that parents should do to help prepare returning pupils					
Parents and carers are not fully informed of the health and safety requirements for the reopening of the school	4	<ul style="list-style-type: none"> Parents are kept up to date with information, guidance and the school's expectations on a weekly basis using Parent Pay and website. A COVID-19 section on the school website is created and updated clearly showing arrangements for arriving/collecting pupils Parent and staff handbooks created reflecting changes to usual school policy Advice is made available to parents on arrangements testing for COVID-19 Clarify arrangements for pick-up/drop-off, breaktimes, as well as expectations 	Yes	Parents handbook created and sent out July 2020. Parent queries phone line available 20-24 th July, and 2-4 th Sept.	1

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

Area of concern to be addressed	Current risk rating	Control measures Good Practice Control Measures Adopted	In place? (Yes/No)	Further action/ Comments	Final risk rating
Parents and carers may not fully understand their responsibilities should a child show symptoms of COVID-19	4	<ul style="list-style-type: none"> Key messages in line with government guidance are reinforced on a weekly basis via email, text and the school's website and verbally. Community languages are considered. Clear procedures in place where a child falls ill whilst at school with reference to the school's infectious diseases policy Ensure contact details of families are up to date. 	Yes	Office manager- September checking	1
Communications with parents/carers about expectations that must be followed to support pupils and keep the school community safe are not clear or in place	4	<ul style="list-style-type: none"> Request daily changes of clothes where practicable, to reduce the risk of infection. Uniform to be worn daily. Refer to school's hygiene policies Clarity around attendance expectations; in particular when COVID-19 is a risk factor within the family Brokerage of access to FTB resources to support mental health and wellbeing, including anxiety of returning to school for pupils and parents. https://www.forwardthinkingbirmingham.org.uk personal items of children – not brought in 		Uniform daily, PE kit to be worn all day on PE days. Follow government guidance.	2 1 1
4. The school day This section should be considered in conjunction with https://www.gov.uk/government/publications/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings					
The start and end of the school day create risks of breaching social distancing guidelines	4	<ul style="list-style-type: none"> Start and departure times routines in place, sign posted and well communicated. The number of entrances and exits to be used is maximised One way system in place Staff and pupils are briefed, and signage provided to identify which entrances, exits and circulation routes to use. A plan is in place for managing the movement of people on 	Yes	Parents to comply with arrangements and signage. Consider marshals at the front of school. Entry time 8.45 to 9am to prevent pinch points. End of day is 3pm – 3.15 staggered, to	2

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

Area of concern to be addressed	Current risk rating	Control measures Good Practice Control Measures Adopted	In place? (Yes/No)	Further action/ Comments	Final risk rating
		<p>arrival to avoid groups of people congregating and parents are informed that gathering at school gates needs to be minimised.</p> <ul style="list-style-type: none"> • Floor markings are visible where it is necessary to manage any queuing. • Attendance patterns have been optimised to ensure maximum safety. • A plan is in place for the effective and safe hand over of very young children at the beginning and end of the session - particularly around issues of responding to young children who are showing signs of distress. • EYFS collection arrangements- as usual. 		<p>allow for children to be collected following a one way system. YR 3pm Y1 & 2- 3.05pm Y3 & 4 -3.10pm Y5 & 6 – 3.15pm</p> <p>EYFS pathway is one way and marked as such.</p>	
Daily attendance registers for new cohorts are not in place	2	<p>Office staff responsible for completion of school daily attendance registers</p> <ul style="list-style-type: none"> • Regular reporting and monitoring of attendance to responsible body 	Yes		1
<p>5. Provision for meals and FSM. Consider alongside https://www.gov.uk/government/publications/covid-19-free-school-meals-guidance/covid-19-free-school-meals-guidance-for-schools</p>					
Pupils eligible for free school meals do not continue to receive vouchers	4	<ul style="list-style-type: none"> • FSM Voucher scheme is continued • Issues with food poverty to be addressed through application to Early Help Hubs 	Yes	Office manager	1

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

Area of concern to be addressed	Current risk rating	Control measures Good Practice Control Measures Adopted	In place? (Yes/No)	Further action/ Comments	Final risk rating
The school is unable to provide breakfast clubs, lunch clubs and after-school clubs	4	<ul style="list-style-type: none"> • Feasibility on reimplementation of wrap-around provision to be assessed. • Review during sept • Consideration of use of space for food preparation and consumption • Communicate decisions to parents • Seek support from LA and other voluntary agencies 	yes	No breakfast club until further notice	2
Meals are not available for all children in school	1	<ul style="list-style-type: none"> • Communication with catering provider to consider options • Procurement plan in place which confirms that suppliers are following social distancing and hygiene measures. • Safe food preparation space, taking account of social distancing • Stagger lunchtimes to align with staggered start and finish times. • Limit lunch menus to offer a set nutritionally balanced menu eg. One vegetarian, one non-vegetarian option. • Consider lunchtimes in the classroom for younger year groups. • Alternative arrangements in place for provision of school meals • Usual considerations in place for dietary requirements 	Yes	School meals provision reviewed in line with WHMAT. Sandwiches in first 2 weeks followed by hot food for 2 classes a day, on rotation.	1
6. Safeguarding provision is needed in school to support returning children and consider any necessary changes and referrals as more children return to school including those with problems accessing online offer Consider alongside: https://www.gov.uk/guidance/safeguarding-and-remote-education-during-coronavirus-covid-19					
School safeguarding policy and procedures are not in place, including updated appendix to	4	<ul style="list-style-type: none"> • Safeguarding remains highest priority and policy is updated to reflect changes • All staff are briefed on updated safeguarding arrangements, including those contacting families of pupils that are not attending school 	Yes	4 DSLs in school daily DSL weekly meeting	1

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

Area of concern to be addressed	Current risk rating	Control measures Good Practice Control Measures Adopted	In place? (Yes/No)	Further action/ Comments	Final risk rating
include arrangements for COVID-19		<ul style="list-style-type: none"> All DSLs have swift access to advice from LA, CSC, school / health visitors and Health and safety policies updated including changes to evacuation arrangements depending on the use of classrooms, entry and exit points and Critical Incident and Lockdown procedures, factoring in social distancing requirements Expectations to be shared with pupils in the event of the need to evacuate the building in an emergency Reference to an addendum for the BCC Model Safeguarding Policy. 			
High risk of increased disclosures from returning pupils	4	<ul style="list-style-type: none"> DSL capacity is factored into staffing arrangements to ensure enough staff are available to deal with the potential increase in disclosures from pupils Contact is maintained with families where there are vulnerable pupils that are not attending school due to parent/carer decision Multi-agency arrangements in place to support early help School is aware of support through Early Help Hubs Advice is available through CASS, BCC Safeguarding and BCC Prevent Team 	Yes		1
Insufficient staff confidence or awareness of mental health, pastoral support, wider wellbeing support for pupils returning to school	4	<ul style="list-style-type: none"> Staff are aware of the offer from the LA and partners so support pupil wellbeing, Staff are aware of how to access support for issues such as anxiety, mental health, well being, behaviour, young carers, behaviour in addition to safeguarding in general. 	Yes	Covered in staff training and revised in weekly briefings	1
7. Behaviour policies reflect the new rules and routines necessary to reduce risk in your setting					

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

Area of concern to be addressed	Current risk rating	Control measures Good Practice Control Measures Adopted	In place? (Yes/No)	Further action/ Comments	Final risk rating
Pupils' behaviour on return to school does not comply with social distancing guidance	3	<ul style="list-style-type: none"> • Clear messaging to pupils on the importance and reasons for social distancing, reinforced throughout the school day by staff and through posters, and floor markings. For young children this is done through age-appropriate methods such as stories and games. • Arrangements for social distancing of younger school children have been agreed and staff are clear on expectations in line with DfE advice • Staff model social distancing consistently. • The movement of pupils around the school is minimised. • Large gatherings are avoided. • Break times and lunch times are structured and closely supervised. • The school's behaviour policy has been revised to include compliance with social distancing and this has been communicated to staff, pupils and parents. • Senior leaders monitor areas where there are breaches of social distancing measures and arrangements are reviewed. • Messages to parents to reinforce the importance of and exhibit social distancing. 	Yes	New policy to be implemented with pupils parents and staff in September.	1
8. Identify curriculum priorities, agree revised expectations and required adjustments in practical lessons including any approaches to 'catch up' support					
Pupils may have fallen behind in their learning during school closures and achievement gaps will have widened	4	<ul style="list-style-type: none"> • Gaps in learning are assessed and addressed in teachers' planning. • Home (and remote learning if necessary) is available and is calibrated to complement in-school learning and address gaps identified. • Plans for intervention are in place for those pupils who have fallen behind in their learning and are supported through home learning • Consider the response to young children who have fallen 	Yes	<p>All subjects will be baselined prior to new learning.</p> <p>Parents are called to assist pupils who have had toileting accidents. YR parents wear PPE to enter toilets use</p>	2

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

RISK Assessment Tool (V1)

07/07/2020

Area of concern to be addressed	Current risk rating	Control measures Good Practice Control Measures Adopted	In place? (Yes/No)	Further action/ Comments	Final risk rating
		behind in their self-care skills • School is aware of pupils who are young carers and have targeted support for online learning where they are unable to return to school		Reception pathway to enter and exit (not brought through school) Child is taken home to be changed.	
School unable to meet full provision required in line with EHCP	2	<ul style="list-style-type: none"> • Review individual pupil's EHCP to consider what can reasonably be provided whilst in school • Where EHCPs have been adapted to make any allowances for the restrictions of COVID-19, these plans are reviewed to include the interim arrangements under the recovery plan • Access support through health and social care offer • Support offered through LA SEND Panel/ Early Years Inclusion Support Service 	Yes		1
Operational needs of school create insufficient resource to support ongoing learning offer for eligible pupils who can't attend school, as well as those that continue to be out of school	3	<ul style="list-style-type: none"> • Review online offer for pupils that are unable to attend school, those shielding 2 are known. • Learning offer for pupils unable to access online resources • Access Early Help Hub support for those pupils affected by ICT poverty • Differentiate offer for eligible children that can't attend school to support future transition 	Yes		1
Pupils moving on to the next phase in their education are ill-prepared for transition	3	<ul style="list-style-type: none"> • A plan is in place for Class teachers to speak with pupils and their parents about the next stage in their education and resolve any issues. • There is regular and effective liaison with the destination institutions (e.g. School/Nursery Class/Reception, primary, secondary schools) to assist with pupils' transition. • Regular communications with the parents of incoming pupils are in place, including letters, newsletters and online broadcasts. 	Yes	July 2020	1

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

lockdown					
The costs of additional measures and enhanced services to address COVID-19 when reopening puts the school in financial difficulty	4	<ul style="list-style-type: none"> Additional cost pressures due to COVID-19 identified and an end-of-year forecast which factors them in has been produced. LA or Trust finance team has been consulted to identify potential savings in order to work towards a balanced budget. Additional COVID-19 related costs are under monitoring and options for reducing costs over time and as guidance changes are under review. Additional sources of income are under exploration. The school's projected financial position has been shared with governors and LA or trust. NS/NC are aware of financial support available to support sustainability (LT to confirm) 	Yes		3
16. Ensure you have considered the impact on staff and pupils with protected characteristics including race and disability in developing you approach					
<p>Considerations</p> <ul style="list-style-type: none"> Nationally the ONS analysis has identified an increased risk of death among some ethnic groups, although this increased risk reduces when age, gender and long term conditions like type 2 diabetes, high blood pressure and kidney disease, but doesn't disappear completely and further research is needed to explore this. There doesn't appear to be any different between in ethnic groups in terms of infection rates, i.e. who catches it, the difference is in the proportion who die. In light of this it is important for risk assessments of individuals, staff and pupils, take this into account, the main risks are around health conditions such as diabetes, kidney disease and high blood pressure, especially if poorly controlled and also obesity has been identified as a significant risk factor. The risk of death is also higher in older people over 65yrs and men have a slightly higher rate than women. Those with respiratory conditions like asthma and chronic obstructive pulmonary disease also pose higher risks, along with auto-immune conditions. Smoking can also exacerbate the disease and lead to poorer outcomes The NHS risk assessment suggests BAME individuals have a higher risk at a younger age, so as a rough guide consider a BAME 55yr old's risk in 					

This is a model risk assessment based on Government guidelines on COVID-19 as at 02/07/2020 and remains subject to change at short notice as updates are received from the Department for Education (DfE) or Birmingham City Council (BCC). **Schools should amend according to individual context.**

<p>the same way you would consider White 65yrs old, but the biggest risk factor is existing health conditions.</p> <ul style="list-style-type: none"> Once risks are identified then it would be sensible to work with your occupational health provider on how then to look at adjustments and whether staff can, for the remainder of term, support remote teaching or telephone support roles. This assessment will need to be on a case by case basis. If someone in the household is shielding (part of the 1.5million), the children in that household should not be included in the first wave of students going back to school. Staff may however consider returning if they are able to practice good hand hygiene and follow the national guidelines on <u>living with someone who is shielded</u>. It is less clear cut for children who are living in households with other vulnerable adults or siblings who are not shielded, however it is worth noting that the risk is less from younger children than older children and can be reduced through good hand hygiene. This however will be a decision that parents will need to make individually based on their personal circumstances. 					
<p>Measures have not been put in place to protect staff and pupils with underlying health issues, BAME staff, and those who are shielding</p>	<p>2</p>	<ul style="list-style-type: none"> An equality impact assessment is undertaken for staff and pupils All members of staff and parents of pupils with underlying health issues, those within vulnerable groups or who are shielding have been instructed to make their condition or circumstances known to the school. Records are kept and regularly updated e.g. check children and staff who have identified as having asthma have up to date care plans. Members of staff and parents of pupils with underlying health conditions have been asked to seek and act on the advice of their GP/consultant/midwife or current government advice. Staff and parents of pupils are clear about the definitions and associated mitigating strategies relation to people who are classed as clinically vulnerable and clinically extremely vulnerable. All staff with underlying health conditions that put them at increased risk from COVID-19 are working from home in line with national guidance. Current government guidance is being applied. 	<p>Yes</p>	<p>Completed April 2020</p> <p>Notice to parents</p>	<p>2</p>

18. Home to School Transport					
<p>Urban Transport Group released a briefing (27 May) urgently requesting the Government to lead joined-up dialogue between the education and transport sectors on how best to resolve the operational challenges and to meet the full additional transport costs of the return to schools and colleges.</p> <p>Keys points include:</p> <ul style="list-style-type: none"> Promote the use of sustainable travel and transport (i.e. modes that improve physical wellbeing for users and/or environmental quality) for journeys to and from education and training establishments for children and young people or compulsory school age in the local authority area. As part of their overarching role to keep cities regions moving in a manner that protects health, the environment and quality of life, transport authorities also have an interest in ensuring that the return to school and college does not create congestion, contribute to air pollution or pose a risk in terms of the health and safety of children and their parents or of transport staff and the wider public, including passengers travelling on mainstream routes that serve schools. In line with this, transport authorities will be looking to ensure that children are able to safely walk, cycle or scoot to school where possible. Indeed, in normal times, transport authorities invest considerable resources in promoting mode shift for school transport and in supporting and training children to travel safely and sustainably. <p>The need to encourage children to walk, cycle or scoot to school sitting alongside the risks posed by a rise in speeding and other dangerous driving on empty roads. http://www.urbantransportgroup.org/resources/types/briefings/transport-challenges-return-schools-and-colleges-following-easing-covid-19</p>					
Pick up and drop off times	4	<ul style="list-style-type: none"> As per Government guidance: <ul style="list-style-type: none"> tell parents that if their child needs to be accompanied to the education or childcare setting, only one parent should attend tell parents and young people their allocated drop off and collection times and the process for doing so, including protocols for minimising adult to adult contact (for example, which entrance to use) make clear to parents that they cannot gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment, which should be conducted safely) talk to staff about the plans (for example, safety measures, timetable changes and staggered arrival 	Yes	Process in place, communicated to parents July 2020.	2
